

ULTIMATE TEXAS HOLD 'EM

Ultimate Texas Hold 'Em* features head-to-head play against the dealer and an optional bonus bet.

Players and the dealer each receive two cards. They combine them with five community cards to make their best five-card hand.

Ultimate Texas Hold 'Em lets players bet aggressively. The earlier the bet, the more they can risk - and win. If players bet pre-flop, they may risk 3X or 4X their Ante. And if they wait until the river - when all community cards are out - they may only bet 1X the Ante.

Players must be seated and keep their cards in full view of the dealer at all times.
