

3 CARD

3 Card is an exciting table game where players compete heads-up against the dealer. You and the dealer each receive three cards to make the best hand.

HOW TO PLAY

ANTE

Play begins by making the Ante bet. Both you and the dealer will then be dealt three cards.

PLAY

After viewing your cards, you may fold or make a Play wager equal to your Ante wager. The dealer then reveals their cards, and the higher hand wins. Dealer must have at least Queen high to qualify.

PLAYER BONUS

You may also make the optional Player Bonus wager. The Player Bonus wager pays if your three-card hand contains a pair or better.

6 CARD BOUNTY

You may make the optional 6 Card Bounty wager. Combine your three card hand with the dealers three card hand to make your best five card poker hand. You win with a Three-of-a-Kind or better. See pay table for odds.
