

# LOUISIANA STUD

*Louisiana Stud* is an exciting stud poker game. Players are dealt two cards to combine with three community cards to make a five-card poker hand. You compete against a pay table, not against the dealer and you win if your hand is a pair of jacks or better. The skill is determining whether to raise or fold after receiving your initial two cards, and again as each community is revealed.

## HOW TO PLAY

### ANTE

Post a minimum Ante wager to receive your first two cards.

## RAISE BETS

### 1ST RAISE

After receiving your initial two cards, you may fold or make a bet of 1x-3x your Ante. The first community card will then be revealed.

### 2ND RAISE

After the first community card is revealed, decide whether to fold or make a bet of 1x-3x your Ante. The second community card will then be revealed.

### 3RD RAISE

After the second community card is revealed, decide whether to fold or make a bet of 1x-3x your Ante.

\*Ante and all Raise wagers are paid according to the posted pay table

### PLAYER BONUS

The optional Player Bonus wager pays if the three community cards contain a Pair or better.

### STAX

The optional *STAX Progressive* bet pays when you combine your two hole cards with three community cards to make a qualifying five-card poker hand.
