

XTREME Hold'em

Xtreme Hold'em is an exciting Texas Hold'em style game where the player and the dealer each receive two-hole cards and share five community cards to make the best five-card poker hand.

Make equal wagers on the Ante and X-tra Bonus to begin.

You may also make the optional Player Bonus and STAX Progressive wagers. The Player Bonus wager pays if your hand contains a Three-of-a-Kind or better.

After receiving two-hole cards, the player can bet 3x or 4x Ante, or check. After seeing the three-card flop, the player can bet 2x Ante or check. After viewing the last two community cards, the player may bet 1x Ante or fold.

The X-Tra Bonus is a mandatory wager that pays odds when you win with a straight or better.

- Dealer qualifies with a pair or better.
- Dealer has less than a pair - Ante is a push.
